1033 La Posada  
Suite 300  
Austin, TX 78752-3824

The City of Tyler (Tyler Water Utilities) provides drinking water treatment and distribution and wastewater treatment and collection for the City of Tyler, Texas. As an affected utility, we are providing critical load status information for our water treatment and distribution, and wastewater treatment and collection assets and emergency contact information for compliance with Senate Bill 3 of the 87<sup>th</sup> Legislature of the State of Texas and Texas Water Code §13.1936. All facilities listed below are in Tyler, Texas, with the exception of the Lake Tyler Raw Water Pump Station, which is located in Whitehouse, TX.

For each location there is a primary and secondary point of contact listed as well as a physical address and coordinates.
