RE: Critical Load Status/Critical Water for Westminster SUD

To Whom It May Concern,

Per SB3, the new law requiring the development and implementation of emergency preparedness plans, we are required to notify our electrical providers which are Texas New Mexico Power and Grayson Collin Electric and inform them of our well sites that qualify for critical load status.

Below you will find a list (in no particular order) of the critical load status qualifying locations:

1. Westminster Sud Well # 1 – 108 Georgia Avenue, Westminster, Texas 75485
2. Westminster SUD Well # 2 – 411 E. Houston St., Westminster, Texas 75485
3. Westminster SUD Well # 3 – 8066 FM 2862, Westminster, Texas 75485
4. Westminster SUD Well # 4 – 15841 FM 3133, Westminster, Texas 75485
5. Office: 409 E Houston St., Westminster, Texas 75485

Emergency contact information for Westminster SUD are as follows:

1. Richard McCabe, Westminster SUD General Manager
Phone: 972-924-3282 Cell phone: 972-880-1395
2. Evelyn Rockhold, Westminster SUD Office Manager
Phone :972-924-3282 Cell phone: 972-880-1884
3. Hillary Harpole, Westminster SUD Office Assistant
Phone: 972-924-3282 Cell phone: 469-247-5257
