ORDER NO. 3
REQUIRING COMMISSION STAFF CLARIFICATIONS

This Order addresses the need for Commission Staff clarifications regarding the above-styled and numbered docket. Specifically, applicants' filings on July 27, 2021, and August 27, 2021, represent that they do not seek a sale, transfer, or merger of Bastrop West Water Supply and K & K Water Company; rather, they seek a transfer in ownership of Bastrop West Water from Clyde (deceased) and Karen Clardy to Paul and Karen Klaus. Further, applicants represent that both companies, Bastrop West Water and K&K Water, will remain separate entities, operated as sole proprietorships.

On August 27, 2021, Commission Staff filed recommendations regarding completeness, but did not address the filings submitted by applicants.

In light of the representations made by applicants regarding the way in which they seek this proceeding to move forward, Commission Staff must, by September 14, 2021, clarify the manner in which this case should be proceed and be processed, including whether the docket should be restyled, if appropriate.

Signed at Austin, Texas the 1st day of September 2021.
