Re: Docket No. 52317, Response to Order No. 12

To Whom It May Concern,

This is the second monthly update as required by Order No. 12.

Bastrop West Water has completed the Bill of Sale as required to complete the final requirement of the transfer transaction. It was submitted to Mrs. Clardy for signature on July 5, 2022. She requested to have her attorney look over the document prior to signing. We contacted Mrs. Clardy on July 5, July 12, July 27, August 9, and August 15 requesting an update. She has responded each time, except for yesterday. On July 28, she advised that her attorney found some things she needed addressed. Nothing major, just small changes. She was generating the documents was going to send them to me for review. On August 9, she had not heard from her attorney. I did not get a response from Mrs. Clardy on the message yesterday. We have not received any documents for review from Mrs. Clardy or her attorney. As soon as we get them, we will get them signed and filed to finalize the transfer of Bastrop West Water to K & K Water.

Thank you,

A handwritten signature in cursive script that reads "Karen Klaus".
