Re: Docket No. 52317, Response to Order No. 1

To Whom It May Concern,

We have contacted the PUC for clarification on Order No. 1 but have not had a response from the legal team.

According to the Order, it appears that we have requested to transfer Bastrop West Water, CCN 12050, to K & K Water, CCN 11836. That is NOT what we would like to do. We are trying to transfer the ownership of Bastrop West Water. The current owners are Clyde (deceased) and Karen Clardy. The ownership should be transferred to Paul and Karen Klaus. The name and CCN number should remain the same. We were told to include information on our company, K & K Water, for supporting documentation that we can operate a water system. Both companies should remain separate, and both will be operated as sole proprietorships.

Please advise what additional information or documentation that you require to transfer the ownership of Bastrop West Water to Paul and Karen Klaus.

Thank you,

Karen Klaus
