Re: Docket No. 52317

To Whom It May Concern,

We are seeking information on the status of the above referenced docket. The Joint Motion to Admit Evidence and Proposed Order Approving Sale and Allowing Transaction to Proceed was filed on **November 17, 2022**. To date, we have not heard anything further regarding this case. It is our understanding that everything is ready to be finalized. We inquired again today and were told that the only thing lacking is the Judge's signature on the final Order.

Please advise what additional information or documentation that you may require to finalize the transfer of ownership of Bastrop West Water to K & K Water. We are hoping that the delay has been caused by an oversight by staff or the Judge. We have never waited for over a month on an order from the Judge.

We would appreciate any information you can provide.

Thank you,

Karen Klaus
