APPLICATION OF THE ELECTRIC RELIABILITY COUNCIL OF TEXAS, INC. FOR A DEBT OBLIGATION ORDER UNDER PURA CHAPTER 39, SUBCHAPTER M, AND REQUEUST FOR A GOOD CAUSE EXCEPTION	§ § § § §	PUBLIC UTILITY COMMISSION OF TEXAS
--	----------------------------------	--

TEXPO POWER LP'S STATEMENT OF POSITION

Texpo Power LP ("Texpo") files the following statement of position in accordance with Order No. 2 and Public Utility Commission of Texas ("PUCT" or "Commission") procedural rule 22.124, 16 Tex. Admin. Code § 22.124. Order No. 2 sets August 12, 2021, as the deadline for Statements of Position and, therefore, this statement is timely filed.

As the applicant in this proceeding, the Electric Reliability Council of Texas, Inc. ("ERCOT") has the burden of proof. Texpo continues to evaluate ERCOT's application and testimony, and plans to review and evaluate issues raised by the other parties in the intervenor testimony that is due on August 12, 2021. Based on Texpo's consideration of the application so far, Texpo supports ERCOT's request for approval of a Debt Obligation Order to securitize \$800 million of default balances. Texpo also generally supports the implementation details included in ERCOT's application, but continues to review ERCOT's application and filings made by other parties. Accordingly, Texpo reserves the right to amend or supplement this Statement of Position after review of the evidence and positions of other parties regarding ERCOT's requested relief.

Texpo also reserves the right to participate in the hearing on the merits and to take additional positions on other issues, including through cross examination at the hearing or through briefing.

Respectfully submitted,
