**CALPINE CORPORATION'S CORRECTIONS
TO THE DRAFT DEBT OBLIGATION ORDER**

Calpine Corporation respectfully submits the below proposed correction to the draft Debt Obligation Order (“Draft Order”), as filed by the Docket Management Division on October 8, 2021.¹ Calpine is an intervenor in this proceeding and supports the Commission’s approval in this matter. Calpine appreciates the opportunity to submit this proposed correction. Calpine will attend the Open Meeting in the event any questions arise about the following:

Amend Conclusion of Law paragraph 33 to cite the process for appeal of the debt obligation order under PURA Subchapter M (Section 39.603) rather than citing to a provision of Subchapter N (Section 39.653): This Order is not subject to review or appeal except as expressly permitted under PURA § 39.6503(h).

¹ The Docket Management Division memo afforded parties until noon on October 12, 2021 to submit such corrections, so these proposed changes are timely.

Respectfully submitted,
