**THE COALITION OF COMPETITIVE  
RETAIL ELECTRIC PROVIDERS’  
ERRATA TO MOTION TO INTERVENE  
ATTACHMENT ONE**

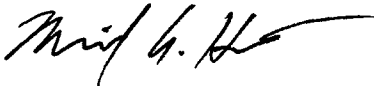

On July 26, 2021, the Coalition of Competitive Retail Electric Providers (“CCR”) filed its Motion to Intervene on behalf of the Retail Electric Providers (“REPs”) identified in Attachment One to that Motion. CCR was subsequently granted party status at the prehearing conference held on Wednesday, July 28, 2021. One REP was were inadvertently left off Attachment One which is being corrected by this filing. CCR as a group already has party status and this correction will not impact the proceeding, the procedural schedule, or any other party. The only purpose of this correction is to provide a true and accurate list of CCR participants as required by 16 TAC 22.103(b) which requires that:

Any association or organized group must include in its motion to intervene a list of the members of the association or group that are persons other than individuals that will be represented by the association or organized group in the proceedings. The group or association shall supplement the list of members represented in the motion at any time a member is added or deleted from the list of members represented.

The REP which was left off Attachment One is: LPT LLC (REP Certificate No. 10118).
