ORDER NO. 3
REQUIRING INTERVENOR CLARIFICATION

On August 2, 2021, Miguel A. Huerta, counsel for the Coalition of Competitive Retail Electric Providers, which was previously granted intervenor status at the prehearing conference on July 28, 2021, filed an errata to its list of retail electric provider participants that he represents in the above-styled and numbered proceedings. Specifically, Mr. Huerta asserted that LPT LLC should be treated as a member of the Coalition in both dockets.

On July 28, 2021, Stephen Gibelli filed a separate motion to intervene in Docket No. 52322 on behalf of LPT.

By August 10, 2021, Mr. Huerta and Mr. Gibelli must clarify, in both dockets, who represents LPT and whether LPT wishes to participate as a party in its own right or as a member of the Coalition.

Signed at Austin, Texas the 5th day of August 2021.
