**ORDER NO. 7**

**DENYING REQUEST TO DELAY DEADLINE FOR FILING EXHIBITS;  
AND GRANTING, ON A LIMITED BASIS, SOUTH TEXAS ELECTRIC’S MOTION TO  
INTERVENE**

**I. Request to Delay Deadline for Filing Certain Exhibits**

On August 18, 2021 Just Energy Texas, LP, Fulcrum Energy dba Amigo Energy, Tara Energy, and Hudson Energy Services, LLC (collectively, Just Energy), AP Gas & Electric (TX) LLC, and Southern Federal Power LLC filed a request that the deadline for filing exhibits on the “netting” issue in this docket be extended to August 20, 2021. The movants contend that consideration of the netting issue at today’s open meeting of the Commission might affect the nature of the issues to be covered in the hearing. Therefore, argue the movants, allowing the exhibits to be filed on August 20 will enable all parties to adapt their exhibits to the Commission’s guidance.

The administrative law judge (ALJ) is sympathetic to the difficulties created by the short timelines necessitated in this case. However, given that rulings will have to be made as to the admissibility of all exhibits at a prehearing conference that will commence at 8:00 a.m. on Monday, August 23, 2021, the ALJ cannot extend the deadline for filing those exhibits to 5:00 p.m. on Friday, August 20, 2021, as the movants request. Therefore, the motion is denied.

**II. South Texas Electric Cooperative, Inc.’s Motion to Intervene**

Having considered the late-filed motion to intervene filed by South Texas Electric Cooperative, Inc. (STEC), ERCOT’s response thereto, and STEC’s reply, and having considered the factors specified in 22 Texas Administrative Code (TAC) § 22.104(d)(1), the motion is granted

and STEC is admitted as a party. STEC is bound by the procedural schedule and orders already in effect. Moreover, STEC's participation in the hearing on the merits is limited solely to the issue of the process for opting out of the Subchapter N securitization provisions.

**Signed at Austin, Texas the 19th day of August 2021.**
