Re: Docket No. 52322, *Application of the Electric Reliability Council of Texas, Inc. for a Debt Obligation Order to Finance Uplift Balances Under PURA Chapter 39, Subchapter N, and for a Good Cause Exception*

Dear Commissioners:

The City of Georgetown has decided to opt out of the securitization authorized under Chapter 39, Subchapter N of the Public Utility Regulatory Act (PURA). The City of Georgetown supports the Unopposed Partial Stipulation and Settlement Agreement (Stipulation) filed on September 20, 2021.

The City of Georgetown respectfully requests that the Commission consider the City of Georgetown a signatory of the Stipulation and that the City of Georgetown be added to the Stipulation's Attachment B, List of Load Serving Entities Opting Out, as a municipally owned utility who is a party to this proceeding that has opted out of receiving securitization proceeds and being assessed Uplift Charges under Chapter 39, Subchapter N of PURA.

Yours truly,

Lambeth Townsend
Attorney for the City of Georgetown
