**DOCKET NO. 52340**

<b>APPLICATION OF LONE STAR</b>	<b>§</b>	<b>PUBLIC UTILITY COMMISSION</b>
<b>WATER COMPANY FOR A CLASS D</b>	<b>§</b>	
<b>RATE ADJUSTMENT</b>	<b>§</b>	<b>OF TEXAS</b>

**ORDER NO. 2**  
**ADMINISTRATIVELY COMPLETE AND REQUIRING NOTICE**

This Order addresses the application of Lone Star Water Company for a class D rate adjustment for its certificate of convenience and necessity (CCN) number 13279. The original application was filed on July 22, 2021, and a revised application was filed on August 4, 2021. On August 23, 2021, Commission Staff filed recommendations regarding administrative completeness and notice.

The administrative law judge (ALJ) finds Lone Star Water’s application, as revised, administratively complete and accepted for filing under Texas Water Code § 13.1872 and 16 Texas Administrative Code (TAC) § 24.49. The ALJ establishes an effective date for the rate increase of October 18, 2021.

Under 16 TAC § 24.49(e), Lone Star Water is required to provide notice to each ratepayer, using the notice Lone Star Water filed on August 4, 2021. The notice must be provided only after Lone Star Water receives a written Notice of Approval issued by the Commission, but at least 30 days before the effective date of the proposed rate change. Because the Notice of Approval has not yet been issued, the ALJ instructs Lone Star Water not to provide notice to ratepayers until the Notice of Approval is issued in this docket.

Signed at Austin, Texas the 26th of August 2021.
