Notice of and Request for Opt Out

By signing below, Justin D Dudenhefer affirms US Department of Energy has paid in full all invoices owed to the REP or REPs listed above for usage at the ESI IDs listed above during the period February 12, 2021 through February 20, 2021 (the period of emergency). Justin D Dudenhefer also affirms that a final copy of this opt out request and supporting documentation will be provided to the REP or REPs listed above concurrently with this filing.

US Department of Energy, as a transmission voltage customer, hereby exercises its right under PURA§ 39.653(d) to opt out of uplift charges. It is understood that for the above- listed ESI ID(s), US Department of Energy will not receive any proceeds from the uplift financing under PURA Subchapter N and will not pay uplift charges for same.

This Opt Out Request is effective if signed by an executive officer with authority to act on

behalf of the Customer, the current REP of Record, and if different, the REP of Record during period of emergency and filed by the customer in PUCT Docket No. 52364. The REP of Record during the period of emergency will only sign below if the customer is eligible as a transmission-voltage customer who has paid in full all invoices owed for usage during the period of emergency pursuant to PURA 39.653(d). If the Customer is unable to obtain signatures from its current REP or the REP that provided service during the period of emergency, Customer may opt out by submitting internal documentation that it has paid all usage charges for the relevant ESI IDs during the period of emergency, along with a sworn affidavit from the executive officer who signed the Opt Out Request on behalf of the Customer.
