Engie Resources LLC (“Engie”) and Engie Energy Marketing NA, Inc. (“Engie Energy Marketing”) (collectively, the “Engie Intervenors”) move to intervene in the above-styled proceeding pursuant to the Public Utility Regulatory Act (“PURA,” Tex. Util. Code Ann. §§ 11.001 *et seq.*) and 16 Tex. Admin. Code (“TAC”) §§ 22.101, 22.103(b) and 22.104. The Engie Intervenors would show as follows:

1. The name, address, and telephone number of the Engie Intervenors’ authorized representative is:

All pleadings and other documents should be served upon Dennis W. Donley, Jr.

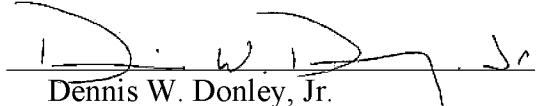

2. On July 28, 2021, the Public Utility Commission of Texas (“the Commission”) opened a Proceeding for Eligible Entities to File an Opt Out Pursuant to PURA § 39.653(d) and for Load-Serving Entities to File Documentation of Exposure to Costs Pursuant to the Debt Obligation Order in Docket No. 52322.

3. Engie is an Option 1 Retail Electric Provider and Engie Energy Marketing is a QSE that participates in the ERCOT retail market. The Engie Intervenors would therefore be liable to pay the uplift charges ultimately determined and financed through this proceeding. They also would be eligible to file documentation of exposure to charges subject to the uplift financing to be approved in this proceeding. As such, the Engie Intervenors possess justiciable interests that may be adversely affected by the outcome of this proceeding.

4. In recognition of their justiciable interests, the Engie Intervenors request that the Commission grant this Motion to Intervene and admit Engie and Engie Energy Marketing as intervenors in this proceeding for all purposes, and for such other relief to which they may be justly entitled.

Respectfully submitted,
