Re: Submission of public data in response to PUCT Docket No. 52364 on behalf of the City of Goldsmith, Texas

Dear Sir or Madam:

Enclosed please find 1 copy of the City of Goldsmith, Texas' Transmission-Voltage Customer Opt Out Notice Form signed by the City's Mayor and the VP of the REP of record. Please note there are 2 pages to the form because the middle page was completely blank since there is only 1 ESI ID and 1 REP of record.

We apologize for the delay in responding but the communications regarding the submission was incomplete. We were asked by an ERCOT representative in mid-November 2021 of the City's intentions. We replied to the representative the City wished to opt out and we thought the information flow was complete. At no time did the ERCOT representative indicate that a formal filing had to be submitted therefore we were unaware of that requirement.

We humbly request the City of Goldsmith be allowed to opt out of the securitization uplift charges as stipulated in PUCT Docket No. 52364.

Thank you for your assistance to this matter.

Sincerely,

Beth Perry Sewell
President & CEO
Agent for City of Goldsmith, Texas
