UTILITY COMMISSION
REGISTRY CLERK

12/20/21

RE: *Docket No. 52364 – ERCOT'S Calculation of Load Ratio Share and Total Exposure for Our Energy, LLC.*

On October 13, 2021, the Public Utility Commission of Texas (Commission) entered a Debt Obligation Order in Docket No. 52322 to implement Subchapter N of Chapter 39 of the PURA. Among other things, the Debt Obligation Order established a deadline for each LSE to verify the total exposure calculation for the LSE filed by ERCOT in this docket on or before 70 days after entry of the Debt Obligation Order, which would be December 22, 2021. This verification is therefore timely filed.

Attached is the affidavit of Shaheed Faiz, the Vice President of Our Energy, LLC, which holds REP Certificate No.10170 in Texas, verifying that the total exposure calculation for Our Energy, LLC filed by ERCOT is correct.

Sincerely,

A handwritten signature in black ink, appearing to read "Shaheed Faiz", written over a horizontal line.
