San Antonio, TX 78258

December 20, 2021

Public Utility Commission of Texas
1701 N. Congress Ave.
Austin, Texas 78701

RE: Docket No. 52364 – ERCOT'S Calculation of Load Ratio Share and Total Exposure for Energy Transfer Retail Power LLC.

On October 13, 2021, the Public Utility Commission of Texas (Commission) entered a Debt Obligation Order in Docket No. 52322 to implement Subchapter N of Chapter 39 of the PURA. Among other things, the Debt Obligation Order established a deadline for each LSE to verify the total exposure calculation for the LSE filed by ERCOT in this docket on or before 70 days after entry of the Debt Obligation Order, which would be December 22, 2021. This verification is therefore timely filed.

Attached is the affidavit of David Coker, the Vice President of Energy Transfer Retail Power LLC, which holds REP Certificate No. 10168 in Texas, verifying that the total exposure calculation for Energy Transfer Retail Power LLC filed ERCOT is correct.

Sincerely,

A handwritten signature in black ink, appearing to be 'D. Coker', written over a horizontal line.

David Coker
Vice President
Energy Transfer Retail Power LLC
