RE: Docket No. 52364 – ERCOT'S Calculation of Load Ratio Share and Total Exposure for Summer Energy LLC and Summer Energy dba Pronto Power.

On October 13, 2021, the Public Utility Commission of Texas (Commission) entered a Debt Obligation Order in Docket No. 52322 to implement Subchapter N of Chapter 39 of the PURA. Among other things, the Debt Obligation Order established a deadline for each LSE to verify the total exposure calculation for the LSE filed by ERCOT in this docket on or before 70 days after entry of the Debt Obligation Order, which would be December 22, 2021. This verification is therefore timely filed.

Attached is the signature of Travis Andrews, the Chief Supply Officer of Summer Energy LLC and Summer Energy dba Pronto Power, which holds REP Certificate No. 10205 in Texas, verifying that the total exposure calculation for Summer Energy LLC and Summer Energy dba Pronto Power filed ERCOT is correct.

Sincerely,

A handwritten signature in black ink that reads "Travis Andrews". The signature is written in a cursive style with a large initial "T" and "A".

Travis Andrews
Chief Supply Officer
Summer Energy
Summer Energy dba Pronto Power
