**APPLICATION OF MEDINA
HIGHLANDS, INC. FOR AUTHORITY
TO CHANGE RATES**

**PUBLIC UTILITY COMMISSION

OF TEXAS**

**ORDER NO. 7
ABATING PROCEEDING**

This Order addresses Medina Highlands, Inc.'s motion to extend deadlines filed on September 30, 2021. Medina Highlands stated that in order to cure the deficiencies of the application, an application for a sale, transfer or merger (STM) must be filed in order to clarify the ownership of the water utility by Medina Highlands.

In light of the length of time associated with the approval of an STM of facilities and certificate rights of a water utility, the administrative law judge construes Medina Highlands' motion as a motion to abate this proceeding and, accordingly, abates this proceeding. Within 14 days of the Commission's approval of the STM, Medina Highlands must file a motion to lift the abatement.

Signed at Austin, Texas the 1st day of October 2021.
