

## Filing Receipt

**Received - 2022-06-07 08:12:03 PM**  
**Control Number - 52370**  
**ItemNumber - 53**

Docket 52370

**List of Issues:**

East Houston Utilities needs a substantial rate increase to maintain the quality and quantity of water supply to homes in the Whitewing subdivision in a manner consistent with the TCEQ and PUC regulations and requirements.

While the rate increase is the only issue that EHU would like to discuss, we are willing to defend with documentation any further issues that the Commission Staff deems necessary.

Thank you,  
Stephen Krebs  
East Houston Utilities
