ORDER NO. 5
FINDING APPLICATION REMAINS DEFICIENT, ESTABLISHING
DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the August 2, 2021 application of Samuel Sledge and Sharon Peach, as Executrix of the Estate of Verna B. Sledge, to cancel an exempt utility registration and Sharon Peach to obtain an exempt utility registration. On January 20, 2022, Commission Staff filed a supplemental recommendation on administrative completeness.

The administrative law judge continues to find the application remains administratively incomplete and deficient.

By February 3, 2022, the applicants must supplement the application to cure the deficiencies as described in the January 20, 2022 memorandum of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

By March 10, 2022, Commission Staff must file comments regarding the application, including whether it is administratively complete; recommendations regarding notice; under what applicable law this proceeding was filed and would be processed; how the application should be processed; and propose a procedural schedule, if appropriate.

Signed at Austin, Texas the 21st day of January 2022.
