COMMISSION STAFF'S REQUEST FOR EXTENSION

On August 2, 2021, Sharon Peach (Ms. Peach) and Samuel Sledge (Mr. Sledge) (collectively, Applicants), as Executrix of the Estate of Verna B. Sledge, filed an application to cancel an exempt utility registration number N0078 and request a new exempt utility registration for Ms. Peach.

On November 2, 2021, the administrative law judge filed Order No. 3, directing the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file comments regarding the application, including whether it is administratively complete; recommendations regarding notice; under what applicable law this proceeding was filed and would be processed; how the application should be processed; and to propose a procedural schedule, if appropriate by January 5, 2022. Therefore, this pleading is timely filed.

I. REQUEST FOR AN EXTENSION

Under 16 TAC § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Staff requests this extension because several Staff members assigned to this docket are away from the office in late-December and early-January. Accordingly, Staff respectfully requests the entry of an order extending the deadline for Staff to file comments regarding the application, including whether it is administratively complete; recommendations regarding notice; under what applicable law this proceeding was filed and would be processed; how the application should be processed; and to propose a procedural schedule, if appropriate to January 20, 2022.

II. CONCLUSION

Staff respectfully requests the entry of an order extending Staff's deadline to file comments regarding the application, including whether it is administratively complete; recommendations regarding notice; under what applicable law this proceeding was filed and would be processed;

how the application should be processed; and propose a procedural schedule, if appropriate to January 20, 2022.

Dated: December 30, 2021
