RE: Docket No. 52391 – *Application of Liberty County Utilities, LLC for Water and Sewer Certificates of Convenience and Necessity in Liberty County.*

The Office of Policy and Docket Management (OPDM) has identified the following evidentiary issue that requires a response from the parties.

Liberty County Utilities, LLC requests new certificates of convenience and necessity to provide retail water and sewer service in Liberty County, Texas. According to the record evidence, Liberty County Utilities will need to construct new water and sewer systems to provide service to the proposed service area. Please identify the location in the evidentiary record of the capital improvements plan required by Texas Water Code § 13.244(d)(3). This plan must include a budget and estimated timeline for construction of all facilities necessary to provide full service to the entire proposed service area. If evidence in the record does not include the required capital improvements plan, please seek admission of this additional evidence.

OPDM requests a response to this issue by Tuesday, September 27, 2022 at 3:00 p.m.
