Re: Application of Liberty County Utilities, LLC for Water and Sewer Certificates of Convenience  
and Necessity in Liberty County, TX  
Docket No. 52391

Dear Public Utility Commission of Texas:

I received yesterday in the mail, the Order Remanding Proceeding to Docket Management that the Commissioners signed on October 20, 2022. The Order requires submission of financial assurance and a capital improvement plant by October 24, 2022. Since the Order was just received on October 27, 2022, we would like to request an extension to the submittal deadline to November 7, 2022. I have corresponded with Staff and they are unopposed to the deadline extension.

Please feel free to email me at [syoung@waterengineers.com](mailto:syoung@waterengineers.com) or call at 281-373-0500 if you have any questions regarding this request.

Thank you for your assistance in this review process.

Sincerely,  
WATERENGINEERS, INC.
