Re: Public Utility Commission of Texas ("PUC") Project No. 52405; Proposal for Publication of 16 TAC §24.173 and §24.364 as Approved at the April 21, 202

Dear Commissioners:

Thank you for the opportunity to comment on the referenced rule project implementing certain provisions of Senate Bill 3 ("SB 3") from the 87<sup>th</sup> Texas Legislature, as codified in §13.151 and §13.414 of the Texas Water Code.

Please accept this letter as our support for the position and comments of Association of Water Board Directors ("AWBD") as stated in their letter of even date herewith. We believe AWBD's position and comments to the proposed rules are consistent with the language and intent of SB3 and will ensure clarity in implementation. We very much appreciate your consideration of our comments

Please feel free to contact us with any comments or questions.

Very truly yours,

SCHWARTZ, PAGE & HARDING, L.L.P.
