RE: **Docket No. 52434** – *Petition of Celina Partners, Ltd. to Amend Marilee Special Utility District's Certificate of Convenience and Necessity in Collin County by Expedited Release*

DATE: March 2, 2022

On February 15, 2022, I filed a Proposed Order in the above-styled and numbered docket.

On March 1, 2022, Commission Staff filed a correction to proposed Conclusion of Law 6 to correct a typographical error. The correction is appropriate, and the proposed order is revised as follows.

- Under ~~16 TAC § 24.245(7)~~ 16 TAC § 24.245(h)(7), the Commission's decision is based on the information submitted by the landowner, the CCN holder, and Commission Staff.

On March 1, 2022, Marilee Special Utility District (the CCN holder) filed corrections and exceptions to the Proposed Order.

I conclude that no changes to the Proposed Order are warranted in response to the exceptions and corrections raised by the CCN holder

The Proposed Order is ready for the Commission's consideration.
