RE: Banking relationship with Crystal Springs Water Co.

To Whom it may Concern:

Crystal Springs Water Company Inc. has been an excellent customer for over 13 years. The bank has approved many loans to the company over the years, and they have always paid as agreed. Furthermore, the company has historically been very profitable based on its filed tax returns. The company has plans for several more water and sewer plants and we are excited about the financing opportunities. In addition to the financing the individual water/sewer plants, the company does have a term loan approved, and a Revolving Line of Credit in place, that will cover the entire construction cost related to the water and sewer plants located in the planned White Rock subdivision. If you have any questions please call me at 281-465-5308.

Sincerely,

Travis Freeman  
Regional President
