**Re: E-Filing mistake entry for :  
Docket Control Number 52445  
Item # 45**

Please remove the documents for entry Item #45 as the wrong forms were submitted. I have been in communication with Fred Bednarski @ the PUC and he request that submitted a request to delete my entry for Item #45.

Please feel free to contact me if you have any questions or concerns with my request.

Thank you,
