**APPLICATION OF HYDROTEX, LLC            §            PUBLIC UTILITY COMMISSION  
FOR A CERTIFICATE OF                            §  
CONVENIENCE AND NECESSITY IN            §    OF TEXAS  
LIBERTY COUNTY                                 §**

**ORDER NO. 2  
FINDING APPLICATION DEFICIENT, ESTABLISHING DEADLINES AND  
OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the August 18, 2021 application of HydroTex, LLC to obtain a water certificate of convenience and necessity in Liberty County.

On September 17, 2021, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before October 11, 2021, HydroTex must supplement the application to cure the deficiencies as described in the September 17, 2021 memorandum of Jolie Mathis and Fred Bednarski III. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before November 11, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule.

**Signed at Austin, Texas the 17th day of September 2021.**
