This Order addresses HydroTex, LLC's March 13, 2023 response to Commission Staff's supplemental recommendation regarding, among other things, notice to be provided to each landowner of a tract of land that is over 25 acres and that is wholly or partly located in the requested area. Specifically, HydroTex stated that there are no landowners of 25 acres or greater in the requested area.

In light of the response provided by HydroTex, the administrative law judge amends the procedural schedule established in Order No. 12, as follows:

Signed at Austin, Texas the 14th day of March 2023.
