ORDER NO. 22
REQUIRING CLARIFICATION

This Order addresses the November 14, 2023 memorandum of Jolie Mathis attached to Commission Staff's response to Order No. 21. Ms. Mathis' memorandum reflects that the Commission's Rate Regulation Division will be addressing several factors in a separate memo. A separate memo was not included with the November 14 filing. Additionally, Ms. Mathis' memorandum also requests restyling of this docket.

It would appear that several of the factors have already been addressed by the Commission's Rate Regulation Division. Specifically, on July 12 and October 12, 2023, separate memoranda were filed and attached to Commission Staff's recommendations.

By November 21, 2023, Commission Staff must clarify whether it intends to file another separate memorandum regarding the factors described by Ms. Mathis. Finally, in response to Ms. Mathis' request that this docket be restyled, the administrative law judge granted Commission Staff's request and restyled the docket in Order No. 17 filed on July 26, 2023.

Signed at Austin, Texas the 15th day of November 2023.
