**ORDER NO. 25
GRANTING EXTENSION AND REVISING DEADLINES**

On January 29, 2024, Hydro Tex, LLC filed some of the required information responsive to Order No. 24, requiring several clarifications, and if necessary, supplementation regarding the request for service, the date the public water system was completed, and the decertification request by Southern Horizons Development. Within its response, HydroTex stated that a supplemental response would be filed.

In light of the above, the administrative law judge (ALJ) construes HydroTex's response to Order No. 24 as a request to extend the deadline to provide the remaining information. In order that this docket may continue to move toward a resolution, the ALJ establishes a deadline of February 29, 2024, for HydroTex to provide the rest of the information responsive to Order No. 24. By March 14, 2024, Commission Staff must file a supplemental recommendation on Southern Horizons' request for partial decertification.

Concurrent with their filings, the parties must file an updated motion to admit the clarification, supplemental information, and supplemental recommendation.

Signed at Austin, Texas the 1st day of February 2024.
