**ORDER NO. 5
ABATING PROCEEDING**

This Order addresses Commission Staff's January 10, 2022 request for abatement of this proceeding. Commission Staff has identified an issue with the name in which the original certificate was granted and requires additional time to confer with Skyline Drive Landowners Association (SDLA) to determine how to proceed. Commission staff requests that the procedural schedule established in Order No. 4 be abated until such a decision is made on how to proceed on the name issue. Commission Staff indicates that SDLA is unopposed to the request for abatement. The administrative law judge grants Commission Staff's motion to abate the proceeding. The parties are directed to file monthly updates beginning on March 1, 2022 and continuing until a decision is made on how to proceed on the name issue.

Signed at Austin, Texas the 13th day of January 2022.
