RE: November 3, 2022 Open Meeting – Item No. 2
Docket No. 52453 – *Application of Skyline Drive Landowners Association Water System to Decertify a Portion of Its Water Certificate of Convenience and Necessity in Johnson County*

A revised proposed order filed in the above-referenced docket is posted for consideration and action by the Commission. If the Commission approves the revised proposed order, I recommend the following changes to the Commission's order.

A new finding of fact should be added after finding of fact 17.

XX. SDLA provided notice to the only landowner in the requested area, WB Joshua Land LLC, but provided that notice after the application was filed.

Finding of fact 19 and conclusions of law 4 and 5 should be modified for accuracy and clarity.

19. Good cause exists for waiver of notice at the time the application was filed to landowners in the requested area.
4. SDLA provided notice of the application in accordance with TWC § 13.254 ~~and 16 TAC § 24.245.~~

49

5. Good cause exists under 16 TAC § 24.2(b) to grant an exception to the requirement in 16 TAC § 24.245(d)(2)(A) that notice of the application be provided at the time the application was filed to landowners in the requested area.

Additionally, the Commission should delegate to the Office of Policy and Docket Management the authority to modify the order to conform to the *Citation and Style Guide for the Public Utility Commission of Texas* and to make other non-substantive changes to the order for such matters as capitalization, spelling, grammar, punctuation, style, correction of numbering, and readability.
