SOAH ORDER NO. 3
CANCELING ROUTE ADEQUACY HEARING AND
GRANTING REQUEST FOR LATE-FILED INTERVENTION

Pursuant to Order No. 2, the deadline to file a request for a route adequacy hearing was January 10, 2022. No party requested a route adequacy hearing. Therefore, the hearing on route adequacy that was tentatively scheduled for January 31, 2022, is **CANCELED**.

On January 18, 2022, Anne Weary filed a request to intervene. The request represents that Anne Weary owns property that may be directly affected by Oncor Electric Delivery LLC's proposed transmission line. According to Anne Weary, there was a misrepresentation of the property when the maps of possible line routes were displayed for public view because her home and horse barn were not identified in the maps giving the false belief that the property was vacant. The property is Anne Weary's homestead. Although no certificate of conference was included, no objections or responses have been filed regarding the request. Accordingly, it is **ORDERED** that **Anne Weary is added** as an intervenor.

SIGNED January 27, 2022.
