UNOPPOSED MOTION TO ABATE PROCEDURAL SCHEDULE

Oncor Electric Delivery Company LLC (“Oncor”) files this Unopposed Motion to Abate the Procedural Schedule respectfully showing as follows:

On August 26, 2021, Oncor filed an application for a certificate of convenience and necessity with the Public Utility Commission of Texas (“Commission”) for the Old Country Switch 345-kilovolt transmission line project. Between September 29 and October 20, 2021, the Commission Administrative Law Judge (“ALJ”) granted intervention to Ms. Anne Weary; Lone Star Texas Land & Cattle Company, LLC; Chambers Creek Ranch LLC; Ms. Vicki Coffman; and Mr. Luke Tamminga (collectively with Oncor and Commission Staff, the “Parties”). On November 10, 2021, the Commission ALJ referred this matter to the State Office of Administrative Hearings (“SOAH”). On December 13, 2021, the SOAH ALJs referred the matter to the SOAH Alternative Dispute Resolution Team Leader for mediation. On February 8, 2022, all Parties participated in a mediation.

The mediation has resulted in an agreement in principle that will resolve all issues contested between the Parties. As part of that agreement, the Parties have agreed to abate the procedural schedule while a stipulation and settlement agreement is being finalized. Once the Parties have executed the stipulation and settlement agreement, Oncor will move to (i) admit it and other relevant evidence into the record, (ii) dismiss this case from the SOAH docket, and (iii) remand the proceeding to the Commission.

Accordingly, Oncor respectfully requests that the SOAH ALJs abate the procedural schedule in this docket, consistent with the agreement reached in mediation. No Parties have expressed opposition to this request.

Respectfully submitted,

By: /s/ Jared M. Jones
