SECOND MOTION TO ADMIT EVIDENCE

On March 31, 2022, Oncor Electric Delivery Company LLC (“Oncor”) filed (1) a Unanimous Stipulation and Settlement Agreement (“Stipulation”), and (2) an Unopposed Motion to Admit Evidence, Dismiss from the SOAH Docket, and Remand to the Commission (“Motion”). The Stipulation resolved all issues contested between the parties in this proceeding, and the Motion requested that the Administrative Law Judges (“ALJs”) admit certain relevant evidence into the record to support the Stipulation and provide a basis for the Public Utility Commission of Texas (“Commission”) to issue a final order. On April 5, 2022, the SOAH ALJs admitted the requested evidence into the record, dismissed the case from the SOAH docket, and remanded the matter to the Commission.

One relevant piece of evidence was not included among the items Oncor requested to be admitted into the record. Specifically, Oncor’s cost estimates for Route 152, the route agreed upon in the Stipulation, have not been entered into evidence. These estimates were provided in response to Lone Star Texas Land & Cattle Company’s (“Lone Star’s”) requests for information (“RFIs”) 1-01b and 1-02b. Accordingly, Oncor respectfully requests that Oncor’s Response to Lone Star’s First RFIs, filed on January 10, 2022, be admitted into evidence.
