ORDER NO. 6
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE
AND ESTABLISHING DEADLINES AND AN OPPORTUNITY TO CURE

This Order addresses the sufficiency of Harrison Williams and Pine Knob Estate Water, Inc.'s August 26, 2021 application for a water utility stock transfer under 16 TAC § 24.243. On October 26, 2021, the applicants filed supplemental information. On November 8, 2021, Commission Staff filed a supplemental recommendation on the administrative completeness of the application and notice.

The administrative law judge finds the application remains administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

By November 29, 2021¹, the applicants must supplement the application to cure the deficiencies described in Leila Guerrero's November 8, 2021 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed.

By December 8, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

¹ On Commission Staff's requested date, November 24, 2021, the PUC will be closed. Therefore, the deadline advances to the next business day, Monday, November 29, 2021, under 16 Texas Administrative Code § 22.4(a).

Signed at Austin, Texas the 9th day of November 2021.
