**ORDER NO. 7  
GRANTING EXTENSION**

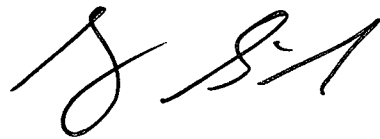

This Order addresses Harrison Williams's November 29, 2021 request for extension. Mr. Williams requests additional time to provide documents to supplement the application.

The administrative law judge grants the extension. By December 3, 2021, the applicants must supplement the application to cure the deficiencies described in Leila Guerrero's November 8, 2021 memorandum. Until the Commission receives and reviews the supplemental information, the application cannot proceed.

By December 13, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

**Signed at Austin, Texas the 30th day of November 2021.**
