**ORDER NO. 8
GRANTING INTERVENTION**

This Order addresses the November 19, 2021 motion to intervene filed by Alliance of Xcel Municipalities in this proceeding:

Alliance of Xcel Municipalities presented a justiciable interest which may be adversely affected by the outcome of this proceeding. No party objected to the above-referenced motion. Accordingly, the administrative law judge grants the motion to intervene.

For service of pleadings, the service list in this proceeding is available from the Public Utility Commission of Texas by emailing CADMOrders@puc.texas.gov and requesting a copy of the service list in Docket No. 52485. **Service of pleadings is typically governed by 16 Texas Administrative Code (TAC) § 22.74. However, the Commission has issued a Second Order Suspending Rules,¹ which has suspended certain service requirements found in 16 TAC § 22.74. Accordingly, a filing party must provide notice by e-mail of any pleading or document filed. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.**

All parties must provide their current address, **e-mail address**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. Each party must provide the Commission and all parties with updated address, **e-mail address**, telephone, and fax information if such information changes. **The e-mail addresses**, telephone and fax numbers will be placed on the service list for the convenience of the parties. Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.

¹ *Issues Related to the State of Disaster for the Coronavirus Disease*, Docket No. 50664, Second Order Suspending Rules (July 16, 2020).

Filing of pleadings is typically governed by 16 TAC § 22.71. However, the Commission's Second Order Suspending Rules suspended certain filing requirements found in 16 TAC § 22.71. As long as the Second Order Suspending Rules remains in effect, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website (<https://interchange.puc.texas.gov/filer>) and provide notice, by e-mail, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.
