**APPLICATION OF SWWC UTILITIES, § PUBLIC UTILITY COMMISSION  
INC. DBA HORNSBY BEND UTILITY §  
COMPANY, INC. TO AMEND ITS § OF TEXAS  
CERTIFICATES OF CONVENIENCE §  
AND NECESSITY IN TRAVIS COUNTY §**

**ORDER NO. 5  
REQUIRING CLARIFICATION**

On February 16, 2022, SWWC Utilities, Inc. dba Hornsby Bend Utility Company, Inc. and Commission Staff filed a proposed notice of approval. The proposed notice of approval provides that there are zero existing water and sewer connections and one proposed connection. SWWC Utilities' application filed on September 1, 2021 lists 3,330 existing water connections and 3,769 existing sewer connections and did not provide whether there were additional connections. The notice provided in this docket states there are zero water or sewer customer connections.

Due to the conflict in numbers, the administrative law judge requires the parties to clarify the number of existing water and sewer connections and the proposed water and sewer connections.

By March 21, 2022, Commission Staff and SWWC Utilities must jointly clarify the number of existing water and sewer connection and the number of proposed water and sewer connections.

**Signed at Austin, Texas the 14th day of March 2022.**
