The Honorable Administrative Law Judge Public Utility Commission of Texas 1702 N. Congress Ave., Room 8-100 Austin, TX 78701

Re: Docket No. 52494; Application of R & N Enterprises and Monarch Utilities I L.P. for Sale, Transfer, or Merger of Facilities and Certificate Rights in Cooke County

Dear Administrative Law Judge:

On September 1, 2021, Monarch Utilities I L.P. (Monarch) and R & N Enterprises filed their application for a sale, transfer, or merger of facilities and certificate rights in Cooke County, in the above-referenced docket. Subsequently, on September 28, 2021, Monarch filed a Capital Improvement Plan (CIP), which was filed confidentially as Attachment 10 to the application. For ease in processing this application, the attached CIP, originally filed confidentially on September 28, 2021 (Interchange Item No. 3), is now being filed non-confidentially.

Should the Public Utility Commission have any questions or concerns, please do not hesitate to contact my office.

Very truly yours,

/s/ William A. Faulk, III
