**FINDING REVISED NOTICE SUFFICIENT,**  
**AND SOLICITING JOINT MOTION TO ADMIT SUPPLEMENTAL EVIDENCE**

This Order addresses Texas Water Systems, Inc. and Undine Texas, LLC's supplements to the application filed on June 15 and 28, 2023, response to Order No. 24 filed on May 30, 2023.

On June 30, 2023, Commission Staff filed recommendations regarding applicants' supplements.

Undine filed the affidavit of Vance Tillman, chief financial officer of Undine, attesting that there are no landowners of a tract of land that is at least 25 acres and is wholly or partially included in the area proposed to be certified.

The ALJ finds the supplemental notice sufficient.

On or before August 7, 2023, the parties must file a joint motion to the supplemental evidence responsive to Order No. 24.

**Signed at Austin, Texas the 24th day of July 2023.**
