UNDINE DEVELOPMENT, LLC’S SECOND SUPPLEMENT TO APPLICATION

COMES NOW, Undine Development, LLC (“Undine”) and files this Second Supplement to the Application, and in support thereof, respectfully shows the following:

On September 2, 2021, Undine filed its Application for Sale, Transfer or Merger of Facilities and Certificate Rights in Gregg, Henderson, Smith, and Upshur Counties (Docket Item 52502-1). Undine filed supplemental information on September 27, 2021. In response to Commission’s Staff’s April 21, 2022, informal request for additional information, Undine files this further supplement to the Application. Attached, as Exhibit A, is the response to the informal information request, submitted as **highly sensitive subject to the protective order issued in this matter pursuant to Order No. 1.**

Undine asserts that the information contained in this Exhibit A is exempt from disclosure pursuant to the Public Information Act based on Section 552.110(c) of the Act because disclosure of the information, comprising sensitive commercial and financial information, would cause substantial competitive harm to Undine. The attorneys for Undine Development, LLC have reviewed the information sufficiently to state in good faith that the information is exempt from public disclosure under the Public Information act and merits the Protect Materials designation under the Protective Order issued in Docket NO. 52797. Undine further asserts that this material is of such a highly sensitive nature that making copies of such documents or information or

providing access to such documents to employees of the Reviewing Party (as defined in the Protective Order) would expose a producing party to unreasonable risk of harm.

Respectfully submitted,

Gregg Law PC
