REQUIRING FILING**

This Order addresses Commission Staff's August 26, 2022 status update. Commission Staff states Texas Water Systems, Inc. and Undine Development, LLC filed a supplemented application to replace Undine Development, LLC with Undine Texas, LLC as the co-applicant and included a new tariff with the new name. For the preceding reasons, Commission Staff proposes to re-evaluate the supplemented application and file a recommendation regarding completeness.

By September 29, 2022, Commission Staff must file a recommendation, another status report, or a request for hearing.

Signed at Austin, Texas the 29th day of August 2022.
