ORDER NO. 18
GRANTING EXTENSION AND REVISING DEADLINE

This Order addresses Commission Staff's January 17, 2023 request to extend the time for parties to file the clarification responsive to Order No. 16 filed on December 28, 2022. Commission Staff states that additional time is needed to continue conferring with Undine Texas, LLC before filing the required clarification. Commission Staff represents that Undine Texas, LLC is not opposed to the extension and that its attempt to confer with Texas Water Systems, Inc. was not successful.

The administrative law judge grants Commission Staff's request for extension.

By February 3, 2023, the parties must file a clarification whether there are any violations, resolved or unresolved, associated with Undine Texas, LLC in the Commission or the Texas Commission on Environmental Quality's databases.

Signed at Austin, Texas the 18th day of January 2023.
