ORDER NO. 17
FINDING PETITION ADMINISTRATIVELY INCOMPLETE AND PROVIDING
OPPORTUNITY TO CURE

This Order addresses Commission Staff's supplemental recommendation on final disposition filed on April 20, 2023. After further review of the application and supplemental mapping information, Commission Staff withdraws its recommendation that the petition be found administratively incomplete.

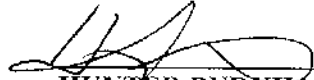

The administrative law judge rescinds the January 19, 2023 finding in Order No. 15 that this petition was administratively complete and instead finds the petition remains administratively incomplete for the reasons described in the memorandum of Chase Lipscomb, attached to Commission Staff's supplemental recommendation on final disposition.

The following procedural schedule applies for continued processing of this docket:

| Event | Date |
|--|---------------|
| Deadline for petitioner to file information to cure deficiencies identified in Commission Staff's memorandum | May 22, 2023 |
| Deadline for Commission Staff to file a supplemental recommendation on sufficiency of the petition and propose procedural schedule | June 19, 2023 |

Signed at Austin, Texas the 24th day of April 2023.
