The Commission previously granted streamlined expedited release and removed a tract of land from Marilee SUD's certificate of convenience and necessity (CCN) number 10150. The Commission's determination on compensation is based on the appraisal by the Commission's appointed appraiser.

The Commission makes the following findings of fact.

1. The Commission has authority to determine the amount of compensation to be awarded after granting streamlined expedited release under TWC §§ 13.254 and 13.2541.
2. No notice is required to determine the amount of compensation.
3. No opportunity for a hearing to determine compensation for streamlined expedited release is provided under TWC § 13.2541 or 16 Texas Administrative Code (TAC) § 24.245(h)(7).

After receiving the appraisals, the Commission must appoint a third appraiser who must make a determination on compensation. The determination by the Commission's appraiser may not be less than the lower appraisal or more than the higher appraisal made by the appraisers engaged by the CCN holder and the petitioner.
6. Under 16 TAC § 24.245(i)(3), the determination of compensation made by the Commission-appointed appraiser is binding on the Commission, the CCN holder, and the petitioner.
