**ORDER NO. 5  
GRANTING EXTENSION, WITH MODIFICATION**

This Order addresses Commission Staff's January 11, 2022 request to extend the time to file a recommendation on final disposition. Commission Staff states that additional time is needed to process the application. Commission Staff represents that neither Central Frisco, Ltd. nor Marilee Special Utility District oppose the extension.

In light of the requirement under Texas Water Code § 13.2541(c), the administrative law judge grants Commission Staff's request for extension, with modification. By January 21, 2022, Commission Staff must file a recommendation regarding final disposition of this matter. Further, on or before January 28, 2022, Central Frisco must file a reply to both Marilee SUD's response and Commission Staff's recommendation regarding final disposition.

The 60-day deadline and remaining deadlines established in Order No. 3 are unchanged.

**Signed at Austin, Texas the 13th day of January 2022.**
